

Tiny ART Show

**Celebrating
the connection
between art & nature:**

Landscapes: Wisconsin's natural wonders— where we feel connected to nature

Life: Wisconsin's living wonders— critters, plants, or people connecting with nature

Learning: Art inspired by the tools we use to learn in nature

**Art will be for sale in an
Online Auction • Sept 23 - Oct 2, 2026**

with proceeds to benefit the Wisconsin Master Naturalist Program

Art with Purpose: Donations help power a community of dedicated volunteers across Wisconsin. These trained folks roll up their sleeves and tackle projects with land stewardship, community science, and nature education in the places we all love.

Art (top to bottom) by: Rita Morgan, Liz List, Mary Trainor, and Jacey Bonavia-Murray
